Hi Kim:

I am including the Suisun Marsh TMDL as an attached file here. Please have a look at Chapter 12 TMDL Implementation Plan (p. 69-84, Table 12-1), which describes the management actions that will be undertaken to achieve the Suisun Marsh DO WQOs. During our call on Thursday we will discuss the Letter of Non-Concurrence, DO TMDL Implementation, and USFWS/EPA options to proceed forward. I asked Regional Board to join on the call so that we are all on board on what needs to be done. We are looking forward to the call. Thank you.

Hi Daniel,

Can you provide an agenda? Looks like you're inviting more people that may not be familiar with section 7 consultation and the ESA. I want to make sure this meeting is in the proper context of discussing our letter in response to EPA's effects determinations as it relates to the section 7 consultation and process.

Thanks,
Kim
